New Year, New Events, New Faces

Holly Hills Municipal Golf Course will present its first **Daddy/Daughter Dance** "Love You to the Moon and Stars" on Feb. 9. It will be held 6-8:30 p.m. in the banquet room. Join us for an evening of fun with music, light refreshments and photo booth props! Tickets are available at Holly Hills through Feb. 8.

The cost is \$30 per Daddy/Daughter Couple with an additional \$5 per daughter (ages 4- to 16-years)

This will be a closed event, meaning only daughters and their fathers are invited. If dad is unavailable, grandpas, uncles, or any male relative is welcome to attend. The recommended attire is dresses for the princesses and ties for dads. For more information, call the clubhouse at 251-580-2553.

On Feb. 14, we will sponsor a **Valentine's Day Steak Dinner** beginning at 5 p.m. The cost will be \$21.95 (plus tax) and includes a 10-oz ribeye, baked potato, salad spring mix and bread pudding. Reservations are required by 6 p.m. Feb. 12. Call the Clubhouse for reservations: 580-2553.

We want to welcome **Kellye Johnson Sanders** to our staff! She is serving as an attendant and has really hit the ground running! Kellye is helping to coordinate some of the new events at Holly Hills, including the dance!

Manager's Corner: "I have never done it but I know I can do it'. This saying was by Pippi Longstocking. Pippi lived in a big house by herself and was always up to adventure. The story was written by one of the most famous children's authors Astrid Lindgren, who was Swedish. Pippi was always an idol for me growing up. This saying was put to the test after some unexpected staff changes at Holly Hills. With the addition of new staffers Janet Caraway and Kellye Sanders, we have not missed a beat.

Holly Hills has played host to Quincy Compressor meetings and numerous Christmas gatherings, including the big party for the employees of William F. Green State Veterans Home. Holly Hills was pleased to host a membership social for Impact 100 Baldwin County. They are a wonderful group of ladies who do amazing work for our county. I am pleased to announce they awarded a \$91,000 grant to Light of the City in Bay Minette. They will be doing a lot of improvements to this facility in the Douglasville community.

We are also hosting the **Daddy/Daughter Dance** on Feb. 9. Kellye Sanders was the inspiration for this. Kellye has also done a great job on Facebook of letting everyone know what a great place this is. On Feb. 14 we will hold the **Valentine's Day Steak Dinner**. I hope you will make plans to join us!

Janet Carraway has kicked up the kitchen with new ideas and a new menu. We now offer nachos and hot dogs every day, burgers, BLTs and chicken sandwiches on Thursday and Friday. We have also held a trial run with a potato bar. We hope to continue expanding these selections.

In 2019, new golf rules have been implemented. Most players at Holly Hills don't play official rules but here a few. When you watch golf on TV you can see the changes: 1. How to drop ball now from knee high; 2. Time to search for ball is three minutes; 3. Repairing spike marks is now okay; 4. Leaving flagstick in the hole is now okay; 5. Hazards are now called 'penalty areas' and you are now allowed to ground your club and move loose impediments that does not apply to bunker.

Reminder: we will be open Monday, Feb. 18, for President's Day so make plans to come out and play a few rounds. As always, thank you for supporting Holly Hills."

Your Pro, Mikki Bjuro
