Manager's Corner: “Happy New Year to all of you! We wrapped up 2018 with quite a bit of rain. I have always said rain over drought any day! Since we always must consider Mother Nature, Bill and David asked me to share this with you: if it's been windy and they have to blow off the greens before cutting, it doubles the time in the mornings to get the course ready. Many other courses have double the staff and they can only work so fast. By saying that sometimes we can't tee off right at 7 a.m. Enjoy a cup of coffee and they will let you know when the course is ready for play.

Talking about staff, I am very sad to let you know that Lindsay and Kody are no longer at Holly Hills. I wish them a good journey forward and know that they will both succeed in life.

On that note, we want to welcome Janet Caraway to our staff. She will be heading up our banquet room, as well as food and beverage. Janet has served as the manager of the Bay Minette Municipal Pool for 12 years and will bring a wealth of experience to this role!

The Holly Hills Christmas Party was very nice. We had about 25 people attend and share their favorite dish. Chuck Stevens Christmas Party is always a packed house! They have already booked for 2019.

In previous newsletters, I have shared with you how impressed I am when a player shoots his age. Jerry Trawick told me that he has shot his age 16 times this year! Wow, hats off to your Mr. Trawick and thank you for all the nice Satsumas you brought us.

Something to look forward to this month is “Night Golf”. It is scheduled for Jan. 25 at 5 p.m. For those who have never played, it’s a blast! I have lit up holes one, two and nine and you play with a glowing ball. The cost is \$15 for members and \$25 for non-members. We are also kicking off afterschool golf on Wednesday, Jan. 9. Let me know if you have a child who wants to participate. I wish you all a fantastic 2019 with many happy days, good health and good friendships.” –
Your Pro, Mikki Bjuro
