

## Upcoming events:

**July 10-12: Intermediate Golf Camp**

**July 14: Class reunion**

**June 21: Family reunion**

**Oct. 5: Lions Club tournament**

**Ladies Golf** is held every Wednesday at 8:30 a.m.

**Men's Group** golf is held 8 a.m. Tuesday/Saturday; 12:30 p.m. Thursday; and 1 p.m. Sunday.

**Open Scramble** is played 5 p.m. Friday.

Come out and play a few rounds!

**Welcome new members:** Larry and Leila Morris.

**Manager's Corner:** "Two lucky people got a hole in one this month. Joe Morris, a long-time member, had his first on Hole #2 on June 24. Blayne Shackelford has his first on Hole #8 on June 26. Congratulations!!

The annual **Father and Son Tournament** was again a success. Some of the fathers have pictures for every year for 23 years and that is a real cool collection. That reminds me of what we keep and what we throw away. What is important in each of our lives.

The winners of the Championship flight were **Mike and Kevin Smith**. The winners of the first flight were **Bob and Robert Wills**. The second flight winners were Mike and Michael Smith.

Summer and hot and kids having fun! I have done a camp each week in June. The teach the students three hours a day for three days. Here is just a few of the things we do: putting technique, distance control, reading greens, etiquette on the green, repairing ball marks, marking the ball, chipping technique, distance control and reading a chip.

Everything about the driving range safety is a must. We also covered the basic of a swing, first tee etiquette, score card, Par, handicap, speed of

play, booking a tee time, dress code. We talk about integrity, honesty, responsibility, sportsmanship, perseverance and many more things. We wrap up the three hot days with a cooler full of ice over each student's head and body. Then they scream and let go and feel really good about themselves.

July 15 is coming up. My family is taking a trip to Sweden. It's been 12 years since the whole family went together. Mom and dad are celebrating 65 years of marriage. Mom is 87 and still plays golf. I have managed Holly Hills for three years. I have a great staff and feel I can take a longer vacation.

As always, thank you everyone for being part of Holly Hills whether you are using the club or not, I promise your name gets appreciated every month you support the club.” – **Mikki Bjuro, Your Golf Pro**

Friday, October 31st  
Shotgun Start @1:00pm
