Come out March 8 from 6-8 p.m. and listen to **Cherokee Crow Live!** Join us for some great music, cold drinks and a good time! Let's bring honky tonk to the course!

Manager's Corner: "Welcome back **O.T. Moody**, a long-time member at Holly Hills. O.T. got the West Nile virus two-years ago and was in a coma for two months. His goal was to get back to Holly Hills and his friends. We are so blessed to have him back at Holly Hills and in Bay Minette.

As much as we get happy news, we get some sad news too. Our longest standing member, **Eddie Hartner**, took his last breadth Feb. 20. Eddie had been a member of Holly Hills since 1967 and had won the club championship on more than one occasion. We need more Eddies in the world. He was just an outstanding man in every aspect, he loved golf and Holly Hills.

In golf news, Holly Hills will be getting its annual injections on March 8 so look out for workers on that day. Holly Hills is located on 25 acres and we have the prettiest fairways with no weeds.

The **Afterschool Golf** sessions begins March 6 and will meet for eight weeks. The sessions are from 4 to 5 p.m. The 8-week course cost \$100.

We had another successful month here at Holly Hills with a Daddy-Daughter Dance, a wedding and lots of golf. Thank you to all the members who use the Club and to those are members no matter what. Thank you!" **Your Pro, Mikki Bjuro**
